## INVITATION FROM CO-CHAIRS

The Australasian Cytometry Society (ACS) and the International Society for Advancement of Cytometry (ISAC) are thrilled to announce a landmark collaboration culminating in the inaugural CYTO-Connect Perth conference. Set to take place at the Perth Convention and Exhibition Centre from November 27th to 29th, 2025, this momentous event marks a significant milestone, uniting the dynamic interdisciplinary exchange and innovative science that are hallmarks of CYTO and ACS events, now hosted for the first time in the Australasian region.

Spanning three days, the conference will feature plenary sessions, themed breakouts, and workshops focusing on a wide array of topics ranging from biomedical and environmental applications of cytometry, clinical and diagnostic methods, shared resource laboratory operations, career development, to innovations in quantitative cell sciences and engineering. A major highlight will be the exhibition, showcasing the latest advancements in quantitative cell sciences from leading industry players. Esteemed speakers, including global and regional keynotes, will be announced, promising a forum for groundbreaking discussions and insights.

As a sponsor or exhibitor, you will have the opportunity to engage with key opinion leaders, decision-makers, and current and new customers who will attend CYTO-Connect Perth 2025.

We are committed to continuously improving your experience supporting our society and value the feedback we have received. Foremost in our minds is to provide a sponsorship experience that supports your needs. The Perth Convention & Exhibition Centre is one of Australia's leading conference venues, and Perth's largest purpose built venue providing a premium space for our attendees and exhibitors alike, with the trade hall well set to provide maximum exposure to current and potential customers.

Thank you for your interest, and I look forward to welcoming you to Perth, Western Australia in November 2025.

**Dr Matthew Linden & Dr Henry Hui**

Co-chairs, CYTO-Connect Perth 2025

# WHO WILL YOU CONNECT WITH AND WHY YOU SHOULD PARTNER WITH US AT CYTO-CONNECT PERTH 2025

CYTO-Connect Perth 2025 will attract over 350 academics, researchers, students and industry professionals, clinical cytometrists from public and private hospitals and laboratories and research organisations in the cytometry field from around the world, including the current world leaders in cytometry research. Sponsorship is invaluable for the success of the annual scientific meetings and for the work of society in general. Partnering provides an opportunity to reach a unique collection of key opinion leaders and decision-making delegates as well as the brightest scientists on the leading edge of research, innovation, and clinical practice. With an internationally recognised brand sponsorship will enable your company to:

- Support world-class research and clinical science.
- Share your own scientific and technological breakthroughs.
- Gain key exposure, brand awareness and product showcase opportunities.
- Share product offerings, services, and strategies.
- Build relationships with delegates at key social functions.
- Generate extensive new leads from Australia and overseas.
- Increase your brand awareness before, during and after the Conference.
- Build long-term relationships with potential and existing customers.

## THE DESTINATION PERTH, WESTERN AUSTRALIA

Perth is an incubator of knowledge and a place to collaborate, connect and learn.

Its clean air, enviable weather, world-leading universities and research institutes, and safe reputation makes it the perfect destination to host your next business event for an international event like CYTO-Connect Perth 2025.

Major cities like Singapore, Beijing and Hong Kong share the same time-zone (GMT +8) as Perth, making it a desirable destination for international delegates.

You'll never be short of things to do here in Western Australia.

Perth is the only capital city in the world where you can access a wine region by boat, snorkel with dolphins, sea lions, and turtles, pull in a crate of fresh lobster for lunch, visit a world heritage listed site, charter a flight to see a pink lake, hunt for truffles, watch a live pearl harvest, see the sun set over the Indian Ocean, all in a single day trip.

Or escape to the regions where you can experience world-class wines and gourmet delights, lush towering forests, sweeping white sandy beaches, World Heritage-listed Ningaloo Reef and Shark Bay and ancient rugged lands.
